

A NATIONALLY ACCREDITED EICA CRANE CERTIFICATION COURSE

NW LINE JATC CRANE TRAINING

Earn a nationally accredited Electrical Industry Certifications Association (EICA) Crane Certification, valid for five (5) years for both fixed and swing cab cranes.

To prepare for your exams, online coursework, and materials will be available six (6) weeks in advance. Candidates will complete a three-day review and take a total of three (3) written exams.

Practical exams will be scheduled during the course.
