- Saturday, September 09
- Saturday, December 09

#### Flagger & Traffic Control – PM Courses

- Saturday, April 08
- Saturday, June 24
- Saturday, September 09
- Saturday, December 09

**OSHA 10 Hour ET&D Courses** are two days courses, both days are required to meet the minimum certification expectations.

#### OSHA 10 Hour ET&D

- Friday, October 20 and Saturday, October 21

### Continuing Education Credit Hours to Maintain Pesticide Licensing

For both Washington and Oregon, you may earn CEU credits online via the Washington State University Pesticide website, [pep.wsu.edu/rct/recertonline](http://pep.wsu.edu/rct/recertonline). Click “Internet Recertification Course Store” and select your state. Be sure to read the course description to verify the number of credit hours each course is worth. Once your courses are purchased, follow the directions to complete each course online.

In-person, **CEU Pesticide Courses** are listed below:

- Battle Ground, WA – Friday, May 12
- Central Point, OR – Saturday, June 10
- Tangent, OR – Saturday, July 08
- Battle Ground, WA – Saturday, November 11
- Central Point, OR – Friday, December 01
- Tangent, OR – Saturday, December 16

**\*CEU Online registration begins 45 days in advance: Mandatory confirmation of attendance 2 weeks prior**

**REGISTER ONLINE AT [WWW.NWLINEJATC.COM](http://WWW.NWLINEJATC.COM)**
