Camp Rilea Armed Forces Training Center

ONLY personnel assigned to units engaged in training are permitted in training areas, training facilities, and ranges. Any unauthorized personnel found in a training area, training facility, or range are subject to immediate removal from Camp Rilea. The paved roads of the cantonment area are the only areas authorized for privately owned vehicles and are considered the boundary for the cantonment area and training areas. All questions will be directed to Camp Rilea Range Control in Bldg 7021.
