

### **A NOTE FROM LR SUPPLY:**

Hello everyone! My name is Andrew Morris. As a former NW LINE JATC VOLTA/APPRENTICE Alumni & a IBEW Journeyman Lineman. Lineroots has created a high voltage hub that allows NW LINE JATC students to access the exclusive portal & one stop shop powered by Lineroots Supply.

### **The steps to gain access are as followed:**

#### **1. Visit the Lineroots Supply Website:**

- Go to [Lineroots Supply](https://www.linerootsnw.com).
- [www.linerootsnw.com](https://www.linerootsnw.com)
- Hover over the **Resources** tab.

#### **2. Access the NW LINE JATC Section:**

- Click on **NW LINE JATC**.
- Enter the password: **NWLINE** (all caps).

#### **3. Explore the Exclusive Hub:**

- You are now in the exclusive NW LINE JATC/VOLTA hub.
- Here, you will find tailored kits & pricing for the Volta program, specialty hand tools, footwear, and PPE recommended for success in becoming a journeyman lineman.

#### **4. Footwear Discount:**

- Enjoy a **15% off discount** on all footwear by applying the code that is included on the first page of the portal.

Remember, choosing Lineroots Supply is just the beginning of providing top quality tools and gear for your success as we are just a click away. Always remember, the NW LINE JATC staff is there to support you as you embark on a rewarding career in an industry where learning never stops.

Good luck and we wish everyone a safe and successful career and never forget to be your brother & sister's keeper!

If you have any questions regarding the **Volta Bronze Kit**, Please feel free to reach out to us here in the line shop and we will help you from experience in the trade to ensure you are properly set up for the VOLTA program!

Climbing belts are made to order so please send us an email over at [Team@linerootsnw.com](mailto:Team@linerootsnw.com) **No Later than 2/26/24** with your waist size/name, and if you will be purchasing a kit that way we can ensure you have a properly fitted belt before class starts as they will be in the manufacturing stages.

Attached below you will find more information on body belt sizing per manufacture recommendations and additional literature.

# BUCKINGHAM ADJUSTABLE SHORT BACK BELT™

ONLY BELT OF THIS KIND ON THE MARKET

**4 D-Rings**

Makes use of WPFR devices like the EZ Squeeze™ extremely simple

**Fully Padded 7\"/>**

High-quality, ultra soft leather for that instant "broke in" feel. Makes those long days more comfortable

**Adjustable Man Rated Upper Belt Strap**

Allows the user to adjust the belt at any given moment for comfort and practicality

**Adjustable Lower Work Positioning D-Piece**

Second adjustment buckle directly under the center piece in the middle of the back

Weights only 7.5 lbs. and meets **ASTM F887** standards

\*\*Now CSA Approved! 

**Adjustable Short Back Belt™ 20192CM-SIZE**

The revolutionary **Patent Pending Adjustable 4 D-Ring Short Back Belt™** offers an adjustable man rated upper belt strap and an adjustable lower work positioning D-piece that allows the user to customize the size of the body belt at any given moment. This belt features only four sizes – small, medium, large, and X-large (see below for sizing chart) and users will now have a belt that can adjust four to five D sizes. The Adjustable

Short Back Belt™ takes all of the features of our popular Short Back Mobility Belt™ and builds them into this new game-changing belt.

This belt is perfect for those who work in areas of the country where there are large temperature swings – when one part of the day or season you could be wearing only FR pants and shirt, then next you could be wearing heavy duty Carharts.

Having an adjustable belt allows the user to adjust for comfort and practicality. This belt is also great for those entering the trade who may either lose weight during line school or gain weight throughout their career.

\*\*For CSA approved models, please put a "C" in front of the PN (**C20192CM-SIZE**).

Belt Size	20192CM-S	20192CM-M	20192CM-L	20192CM-X
D Size	20, 21, 22, 23	23, 24, 25, 26	26, 27, 28, 29	29, 30, 31, 32, 33
