

## Substation Tech Certification program

**1<sup>st</sup> Year online course LMS** **\$225.00**

**Reference Materials** **Price**

- Building a Foundation in Mathematics \$76.00
- DC Theory \$69.00
- The Guidebook for Lineman and Cablemen \$77.00
- Hot Sticks \$33.00
- Lineworker Rigging Practices \$82.00
- Live Line Work Practices \$93.00
- NJATC's Safety Handbook \$25.00
- Personal Protective Grounding \$51.00
- Substation Construction Guidelines \$60.00
- Underground Distribution \$93.00
- Solar Calculator – TI-30X IIS \$19.00
- Test Instruments \$62.00

**Complete set reference materials** **\$740.00**

**2<sup>nd</sup> Year online course LMS** **\$225.00**

**Reference Material** **Price**

- AC Theory \$69.00
- Distribution Volume 1: Transformer Theory \$22.00
- Transformation for Line Workers \$61.00

**Complete set reference materials** **\$152.00**

### ***Additional materials referenced (from 1<sup>st</sup> year textbooks)***

Building a Foundation in Mathematics	\$76.00
DC Theory	\$69.00
NJATC Safety Handbook	\$25.00
Personal Protective Grounding for Worker Safety	\$51.00
Substation Construction Guidelines	\$60.00
Test Instruments	\$62.00
The Guidebook for Linemen and Cablemen	\$61.00

**3<sup>rd</sup> year online course LMS** **\$225.00**

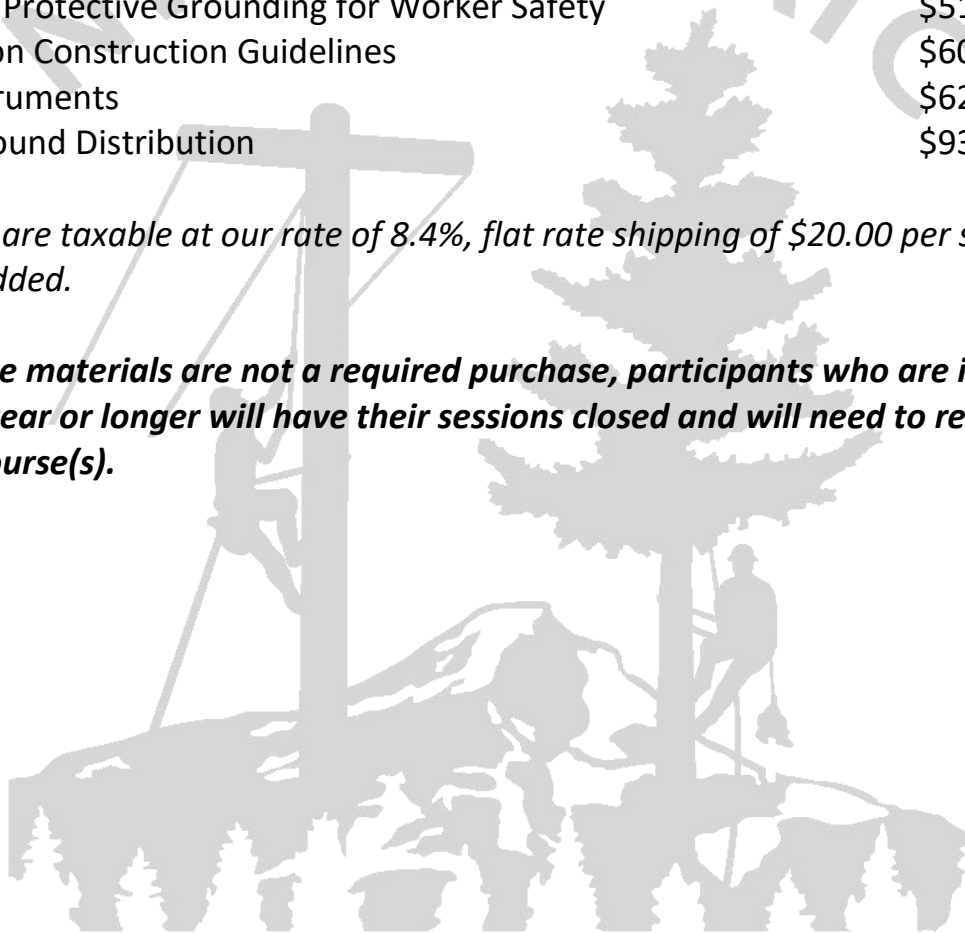

<b>Reference Materials</b>	<b>Price</b>
Reference Guide to Fiber Optics	\$ 69.00
Substation Operations and Maintenance	\$130.00
Terminations and Splices Theory	\$ 15.00
<b>Complete set reference materials</b>	<b>\$215.00</b>

***Additional materials referenced (from prior years' textbooks)***

AC Theory	\$69.00
The Guidebook for Lineman and Cablemen	\$77.00
